Russell on the Power and Duty of an Arbitrator Oct 22 2022 Never Blame the Umpire Jul 27 2020 How do you trust God when tragedy strikes? Kate is having the best summer a sports-loving eleven-year-old could possibly have. Baseball. Tennis. And to top it off, Kate has just started a three-week class where she's discovering a new love: poetry. Then comes the news that tears Kate's world apart. In her close-knit family, Kate has always felt God's love and protection. But how can she trust God now? Do sports or poetry matter when tragedy strikes? In Kate's darkest hour, her mother's faith shines its brightest, helping Kate to see that life is still beautiful and God is still good. Always, no matter what.

Sit Back and Enjoy the Ride Jan 21 2020 This collection of devotionals started as morning emails to a friend. It just gives real life happenings that turned into life lessons learned by the author, and it is a desire that others will read and be helped as well. It seems like we get so stressed about life and living life that we forget to sit back and enjoy the trip of being a forgiven child of God on our journey home.

Paradise Lost and the Cosmological Revolution Feb 14 2022
This volume brings John Milton's Paradise Lost into dialogue with the challenges of cosmology and the world of Galileo, whom Milton met and admired: a universe encompassing space travel, an earth that participates vibrantly in the cosmic dance, and stars that are "world[s] / Of destined habitation." Milton's bold depiction of our universe as merely a small part of a larger multiverse allows the removal of hell from the center of the earth to a location in the primordial abyss. In this wide-ranging work, Dennis Danielson lucidly unfolds early modern cosmological debates, engaging not only Galileo but also Copernicus, Tycho, Kepler, and the English Copernicans, thus placing Milton at a rich crossroads of epic poetry and the history of science.

*The Best Seat in Baseball, But You Have to Stand! Aug 28 2020 A fascinating and revealing look inside the lives of umpires, from the godfather of creative nonfiction In 1974, Lee Gutkind walked into Shea Stadium, then home of the New York Mets, with an unusual proposal. He wanted to chronicle one of the least celebrated cadres in professional baseball: the umpires. Gutkind spent one exhilarating season traveling with the officiating crew he found that day—Doug Harvey, Nick Colosi, Harry Wendelstedt, and Art Williams, the first African American umpire in National League history. Gutkind’s narrative reveals much about the peculiarities of the men charged with the “thankless and impossible task of invoking order”—their work ethic, fallibility, and perhaps most strikingly, their pride. As resonant today as when it was first published, *The Best Seat in Baseball, But You Have to Stand!* is an engrossing story of the men who work on one of the nation’s biggest stages, their victories and their failures, and their inner worlds that are rarely—if ever—explored.*

Chaos Umpire Sits Apr 28 2023 The tower is fallen, its

residents scattered or dead. A mob of human refugees swarm the city, tossed into a world they haven't seen in years, and one Jana knows only from distant memories as a child. The ones who tore down her home would have her flee to safety, and to abandon her need to find Rhamiel and know what became of him. But the strike against the angels has returned them to their martial ways, and an army is reforming under the banner of Uzziel with the goal of eliminating any threats to the Seraphim forever. And other castes of angels have agendas of their own, eager to fill the vacuum left by the tower's collapse.
