Miles Past Normal Jan 23 2020 At each turn in life we are bombarded with the idea of normal. Normal finds a job he hates so it can pay for things he doesn't need while he wishes he was doing something else. Normal believes that creativity, imagination, innovation, and dreaming should cease after the fifth grade. Normal goes to church for an hour on Sundays but doesn't get carried away or allow her faith to truly intersect her life any other time of the week. Each day of normal becomes a tedious, hard-pill to swallow. But each day of normal also swells our thirst for something more. Have you ever wondered if there was something beyond normal? Have you ever craved adventure? What about purpose? Wished for meaning? Longed to know that what you do really matters? Maybe you've just longed to know that you matter. What if you could unlock the secrets to an abnormal life just like those men and women in Hebrews 11? What if God's design for your life is so much more than the trappings of this world? What if there is a life up ahead that could be meaningful, adventurous, and most of all, matter for eternity? What if God is not done altering the course of history? This is your invitation to travel

miles past normal.

The Universe of Fair Nov 26 2022 For a young science whiz, an eagerly awaited day at the Fair turns into a wacky adventure with more twists and loops than the Gravity Whirl ride! Miller Sanford's parents think he's too young to explore the annual town fair alone. Hopeful that they will reconsider this year, Miller works extra hard to be nice to his little sister Penny and her friends. But when his mother can't attend the Fair and his father has to cover her volunteer booth hours as well as his own, Miller ends up with more responsibility than he can handle. Instead of enjoying a freewheeling day on his own, he is drawn into a series of mishaps involving everything from his dad's prize-worthy lemon meringue pie and his own

ill-fated science fair project. Frank Dormer's kid-friendly illustrations enliven the pages of Leslie Bulion's lighthearted take on growing up and learning to be responsible.

The Iowa State Fair Feb 27 2023 In 2013, Kurt Ullrich set out to chronicle the magic of the Iowa State Fair in words and photographs. Join him as August days and nights blow warm and easy over the fairgrounds, brushing lightly against fellow travelers on this earth, both human and not. He captures precious moments of extreme joy and unbridled delight in these beautiful black-and-white images, celebrating the brash rural energy of the fair, from Big Wheel races to people-watching goats, fair queen contestants to arm wrestlers, Percherons to ponies. Prize pigs, prize sheep, prize apples, and the famous butter cow all have their moment in the limelight. Iowa's very best ear of corn and old friends reminiscing outside their RVs draw the photographer's fond eye, as do brightly lit beer stands and the brilliant arc of the Ferris wheel against the night sky.

Sauerkraut Jun 21 2022 A quirky-funny book from the author of Unusual Chickens for the Exceptional Poultry Farmer about a boy whose plans for the summer go sideways when the ghost of his great-great-grandmother demands his attention. HD Schenk is a maker, and his plan for the summer is to build his own computer and enter it in the county fair. To earn money for parts, HD has promised to clear out his uncle's overflowing

basement. But there's more in that basement than HD bargained for. On his first trip down there, a voice only he can hear starts talking to him. About...sauerkraut? Who knew the ghost of his great-great-grandmother was haunting an old pickling crock? She's got a plan, too. She wants HD to help make her famous recipe for sauerkraut and enter it in the county fair so that she can be declared pickle queen. After some initial shock, HD is willing enough to help. This ghost is family, after all. But only HD can really see and hear his Oma, which is going to make it hard for her to win on her own... Kelly Jones spins a wonderfully goofy ghost tale that celebrates creative problem solving, family ties, and makers of every variety.
