Swindle (Swindle #1) Apr 07 2021 Ocean's 11 . . . with 11-year-olds, in a super stand-alone heist caper from Gordon Korman! After a mean collector named Swindle cons him out of his most valuable baseball card, Griffin Bing must put together a band of misfits to break into Swindle's compound and recapture the card. There are many things standing in their way -- a menacing guard dog, a high-tech security system, a very secret hiding place, and their inability to drive -- but Griffin and his team are going to get back what's rightfully his . . . even if hijinks ensue. This is Gordon Korman at his crowd-pleasing best, perfect for readers who like to hoot, howl, and heist.

Find Your Peace Oct 14 2021 Your best prescription goes beyond science. This book will help transform your way of thinking and give you tools to change your life and even your eternity. It will help you cope with stress and others and change the world around you. Despite health care professionals' constant efforts to educate, entice, advise, convince, indoctrinate, and persuade patients with smooth talk, bribes, guilt, and manipulation to make people understand and follow medical advice, the results are often minimal. People continue to suffer from various diseases and chronic conditions. Many still die prematurely from high levels of stress caused by fear, worry, anxiety, and depression. Even with so much knowledge, the gaps in the way people manage stressors in their daily lives need to be addressed. In *Find Your Peace*, Dr. Rodica Malos tackles this universal topic head-on. Brimming with medical

research, basic brain chemistry, and scriptural wisdom, this powerful, encouraging book reveals how the divine design of the human body functions most perfectly when a person's thought life aligns with God's instructions (prescriptions beyond science). God's divine prescriptions and timeless truths will transform, comfort, sustain, and heal. Readers will learn to confront their fear, anxiety, and depression with supernatural resources and develop a healthier lifestyle full of blessings and peace.

Second-language Classroom Interaction Aug 12 2021 "This book analyzes teacher and student interaction in the context of twelve ESL lessons, with the purpose of exploring the extent of student language output. Research has confirmed that teacher speech dominates the second-language classroom. Not surprisingly, 'teacher talk' has been investigated in numerous studies, but 'student talk' has been largely overlooked: this study addresses that imbalance. Questions are one means of engaging student attention, promoting verbal responses, and evaluating student progress. They facilitate interaction by establishing the topic, the speaker, and the respondent. However, as the author shows, some teacher questions encourage communication while others inhibit it." "In this analysis of teacher and student questions and answers, Professor Wintergerst offers new perspective on second-language development and classroom learning in general."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
